The Subrecipient and any of its subcontractors shall not discriminate against any employee or applicant for employment, to be employed in the performance of this Subgrant with respect to hire, tenure, terms, conditions or privileges of employment because of the race, color, religion, sex, disability or national origin of the employee or applicant.

F. Reimbursement. Subrecipient must submit claims for reimbursement for actual, allowable, allocable and reasonable expenditures in accordance with the approved budget. NHHSS will make reimbursement, subject to the following conditions:

Prior approval by NHHSS is not required **provided** the cumulative transfers do not exceed ten percent of the total approved budget, are for an allowable cost allocable to the Subgrant, do not add or eliminate a line item and do not result in programmatic changes.

Prior approval is **required** for cumulative budget transfers exceeding ten percent of the current total approved budget. Requests for transfers shall be addressed in writing to NHHSS. NHHSS shall approve or disapprove the request in writing within 30 days of its receipt.

### **PROGRAM SPECIFIC REQUIREMENTS**

#### **I. Compliance for the Abstinence Education Grant Program**

- A. The Subrecipient agrees that it will comply with the federal laws governing Section 510 of the Social Security Act providing for the Abstinence Education Grant Program and specifically the Code of Federal Regulations, 45 CFR Part 92 and 45 CFR Part 96.
- B. The Subrecipient agrees that it will comply with requirements set forth in the Request for Proposals for:
  - Adherence to the Federal Definition of Abstinence Education
  - Adherence to program integrity requirements
  - Program progress and expenditure reporting requirements
  - Data reporting requirements
  - Non-Sectarian instruction requirements
  - Integration of CLAS Standards
  - State selected curriculum requirements
  - Positive Youth Development requirements
- C. The Subrecipient acknowledges that it may not use amounts paid to it for:
  1. inpatient services, other than inpatient services provided to children with special health care needs or to high-risk pregnant women and infants and such other inpatient services as the Secretary may approve;
  2. cash payments to intended recipients of health services;
  3. the purchase or improvement of land, the purchase, construction, or permanent improvement (other than minor remodeling) of any building or other facility, or the purchase of major medical equipment;
  4. satisfying any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds;
  5. providing funds for research or training to any entity other than a public or nonprofit private entity; or
  6. payment for any item or service (other than an emergency item or service) furnished
    - a. by an individual or entity during the period when such individual or entity is excluded from providing service under the Maternal and Child Health Act or Title XVIII (Medicare), Title XIX (Medicaid) or Title XX (Services for Families, Children, Aged or Disabled) of the Social Security Act pursuant to section 42

U.S.C. 1320a-7, 42 U.S.C. 1320a-7a, 42 U.S.C. 1320c-5, or 42 U.S.C. 1395u(j)(2) of the Social Security Act; or

- b. at the medical direction or on the prescription of a physician during the period when the physician is excluded from providing services in the Maternal and Child Health program or Title XVIII (Medicare), Title XIX (Medicaid) or Title XX (Services for Families, Children, Aged and Disabled) of the Social Security Act pursuant to 42 U.S.C. Section 1320a-7, 42 U.S.C. Section 1320a-7a, 42 U.S.C. Section 1320-5, or 42 U.S.C. 1395u(j)(2) of the Social Security Act and when the person furnishing such item or service knew or had reason to know of the exclusion (after a reasonable time period after reasonable notice has been furnished to the person).
- D. The subrecipient assures that it is a public or nonprofit (as described in Internal Revenue Code 501(c)(3)) entity, and will provide proof of its nonprofit status upon request of NHHSS.

## II. Cash Advance

- A. Consideration of Request. In any fiscal year, a one-time advance up to 20% of the fiscal year budget will be considered based on the following criteria and circumstances:
- 1. Subrecipient must determine that other funds are not available to pay for the startup costs of the activities for the 1<sup>st</sup> Quarter of a fiscal year. If other funds are not available, the written request must include a declaration that Subrecipient will suffer serious cash flow problems without a cash advance. The declaration and any supporting evidence or rationale shall accompany the request.
  - 2. Subrecipient submits a written request using the designated form found in **Attachment 16** of the Request for Proposals.
  - 3. Past performance of Subrecipient in any current and/or prior grants, contracts, cooperative agreements, or subcontracts with NHHSS, with particular consideration to timely reporting or other evidence of deliverables.
- B. Quarterly Deductions. A cash advance will be accounted for through deductions from the reimbursement of actual expenditures. A Subrecipient receiving a cash advance will have its reimbursement request reduced by one-fourth of the advance each of the four quarterly reporting periods. To encourage timely reporting and subsequently the deduction from the reimbursement request, a Subrecipient receiving a cash advance will be assessed a penalty of \$25.00 for each day the quarterly report is past the reporting due date (**Exhibit 1-A**). When the final expenditure report is submitted, if more cash has been paid to the Subrecipient than the total amount of expenditures, the overage must be immediately refunded to NHHSS.

### **III. Reimbursement**

- A. Reduction in Funding. In the event NHHSS experiences funding shortages, the dollar amounts specified in the award may be reduced accordingly, and the Subrecipient may be required to reduce project activities.
- B. Reservation of Right. NHHSS reserves the right to the following provisions:
  - 1. To reallocate funds among local agencies as needed to insure service to individuals at highest levels of priority.
  - 2. To either terminate or curtail all or part of the activities of the Subrecipient in order to best utilize available funding in the event that all or part of the federal or state funds are terminated, suspended, not released, or otherwise are not forthcoming.
  - 3. To suspend the Subrecipient's authority to obligate funds provided by NHHSS pursuant to this Subgrant pending corrective action by this Subrecipient or a decision to terminate this Subgrant.
  - 4. To terminate immediately this Subgrant, in whole or in part, when federal funding is terminated, suspended, not released or otherwise forthcoming.

### **IV. Program Income**

- A. Program income will not be carried over between fiscal years, *i.e.* no program income may remain unused after September 30 in any fiscal year. The beginning balance of program income each fiscal year must be zero. As program income is earned, it shall be utilized to enhance the program, resulting in a zero balance on the final expenditure report. If the final expenditure report reflects a program income balance, reimbursement for 4th Quarter expenses will be reduced by the amount of the balance. In the event that the approved reimbursement of 4th Quarter expenses is less than the program income balance, a refund must be submitted by the Subrecipient to NHHSS.

### **V. Match**

- A. Subrecipients of Nebraska's Abstinence Education grant funds are required to provide matching resources in the amount of 20% of the award. (Example: \$4,000 match required for a \$20,000 award). This community-based support is essential to help Nebraska meet the State's match requirement of three dollars for every four dollars of federal MCH Block Grant funds. Applicants must document in the proposal their capacity to provide matching funds, indicating both the type and source of match. The two types of matching resources are: 1) cash, and 2) in-kind (non-cash). See additional information regarding match requirements (ATTACHMENT 5).

**INSTRUCTIONS**  
**FOR**  
**CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS**

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free workplace Act.
3. For grantees other than individuals, Alternate I. applies.
4. For grantees who are individuals, Alternate II. applies.
5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of the application, or upon award, if there is no application, the grantee must keep the identity of the workplaces(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios.)
7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the changes(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantee's attention is called in particular, to the following definitions from these rules:

*Controlled substance* means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. § 812) and as further defined by regulation (21 C.F.R. § 1308.11 through §1308.15);

*Conviction* means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

*Criminal drug statute* means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

*Employee* means the employee of a grantee directly engaged in the performance of work under a grant. Including: (i) All direct charge employees; (ii) all indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include worker not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).
